President’s Message

Dear AIHA Potomac Section Members,

Summer is fast approaching and the section is winding down its activities for the year. Our election was concluded in April. The results are presented in this newsletter. Our annual meeting will be held on June 20 and the new Board installed then. Thanks to all who offered to serve the section.

The Potomac Section is once again sponsoring its CIH review course over the summer. Whether you’re planning to sit for the exam or looking for a review, this local course is an excellent opportunity to learn and to network with other IHs. Details are available on the website at [www.potomacaicha.org](http://www.potomacaicha.org) under section events.

The Board is working on proposed changes to the bylaws. These are focused on clarifying Officer and Board roles, moving to a rolling membership and officially adding Loudoun County to our section. More information will be provided over the summer and the issue will be taken up next fall.

I hope you found the past year’s activities engaging and informative. I have greatly appreciated the opportunity to work with the Potomac Section, seeing old colleagues and meeting new ones. Have a great summer and I hope to see you at next year’s events!

Joseph B. Jurinski, Ph.D., CIH, P.G.
President, AIHA Potomac Section
